8:00PM - 9:00PM

This size can be adjusted but remember that if changing a recurring session, the change will be used for ALL recurring sessions.

The maximum session is determined by the number of pitches and the pitch size.

The MINIMUM for all sessions is 8 players. This is not only a financial restriction but also the minimum needed for a reasonable game.

The second way of checking maximum session attendance is via the booking calendar. This is the method available to all players.

- Login using your <u>Player</u> account
- Click View Schedule
- In the Book session panel select the Session and date you want to check
